About Me:

Matt is a TIA Certified Transportation Broker and was acknowledged as a Jackson Magazine 30 Under 30 Award Winner. He is recognized as a self-starter, creating and launching our Specialized and Flatbed department. In recognition of his achievements, Matt has risen through our ranks to become Director of Business Development where he now oversees all Account Management and Business Development.

Matt is a Michigan native, diehard Spartan, and father of two. When Matt is not attending MSU games with his wife and twin daughters he enjoys reaping the benefits of living in the Great Lakes State. Whether that's playing hockey in the winter, taking family trips to the Sleeping Bear dunes in the summer or playing on the ALS Softball Team in the spring there's always an opportunity to enjoy the outdoors and spend time with family and friends.
